

Distribution List

Matt Gove
Coastal Zone Management Specialist for California
National Oceanic and Atmospheric Administration
Office of Ocean and Coastal Resource Management
1305 East West Highway
Silver Spring, MD 20910
(301) 713-3155 XT 185

Karen Schwinn
Associate Director of Water Division
U.S. Environmental Protection Agency, Region IX
75 Hawthorne Street
San Francisco, CA 94105
(415) 972-3472

Don Glaser
Regional Director
Mid-Pacific Region
U.S. Bureau of Reclamation
2800 Cottage Way, MP-3700
Sacramento, CA 95825
(916) 978-5000

Ren Lohofener
Regional Director
Pacific Southwest Region
U.S. Fish and Wildlife Service
2800 Cottage Way, Suite W-2606
Sacramento, CA 95825
(916) 414-6464

Rodney R. McInnis
Regional Administrator
National Marine Fisheries Service
Southwest Region
501 West Ocean Blvd., Suite 4200
Long Beach, California 90802
(562) 980-4000

Paul Robershotte
Integrated Water Resource Planning
U.S. Army Corps of Engineers
South Pacific Division
1455 Market Street
San Francisco, CA 95103
(415) 503-6693

Table 1:

PRELIMINARY LIST OF EARLY COORDINATION TOPICS FOR INTERAGENCY TEAM

Agency	Basis for Coordination
(U.S.) Department of Commerce (DOC)	Coastal Zone Management Act of 1972 National Marines Fisheries Service (NMFS) Consultation on State Water Resources Control Board (SWRCB) Delta flow criteria and biological objectives NMFS Consultation by other federal agencies under federal Endangered Species Act (ESA) Implementation of Habitat Conservation Plan programs NMFS related to BDCP EIS and HCP
U.S. Environmental Protection Agency	Clean Water Act National Environmental Policy Act (NEPA) Consultation/Review of all environmental documentation for federal discretionary actions
(U.S.) Department of the Interior (DOI)	Bureau of Reclamation (Reclamation) Consultation for Section 8 of the federal Reclamation Act of 1902 U.S. Fish and Wildlife Service (USFWS) Consultation on SWRCB Delta flow criteria and biological objectives USFWS Consultation by other federal agencies under ESA Implementation of Habitat Conservation Plan programs Reclamation and USFWS related to BDCP EIS and HCP
U.S. Army Corps of Engineers (USACE)	Compliance with Sections 404 and 408 of the CWA related to avoiding adverse impacts to wetlands and navigable waters of the United States, specifically for projects in the Delta Participation in Section 10 permit applications
California Department of Fish and Game (DFG)	SWRCB Delta flow criteria and biological objectives Two-Gates Fish Protection Demonstration project, Three Mile Slough Barrier project, Dutch Slough tidal marsh restoration project, Meins Island tidal marsh restoration projects, Suisun Marsh Strategic Plan, and improved floodplain in Yolo Bypass Development of ERP programs and projects Implementation of the California Endangered Species Act and protection of Fully Protected Species Implementation of the Natural Communities Conservation Plan programs
California Department of Water Resources (DWR)	Fish protection/handling facilities at Clifton Court Forebay, emergency response materials and plan to respond to catastrophic events in the Delta, database development for water diversion, use, socio-economic, ecosystem, and physical structure data, Dutch Slough tidal marsh restoration project, Meins Island tidal marsh restoration project, and improved floodplain in Yolo Bypass Modify SWP diversion measures in near-term and relocating diversions/construct conveyance improvements Relocate North Bay Aqueduct intakes Development of an approach for groundwater monitoring in the Delta Development of Water Conservation and Water Use Efficiency Methods to meet 20x2020 Development of the California Water Plan Development of BDCP and EIR/EIS Development of the the Central Valley Flood Protection Plan Development of Flood Management Programs Development of Suisun Marsh Conservation Plan Development of Integrated Storage Investigation projects
State Water Resources Control Board (SWRCB), including Regional Water Quality Control Boards	Recommendations for flow criteria for Delta ecosystem to protect public trust resources Prioritized schedule with DFG for instream flow studies Consultation related to Watermaster approach and activities Recommendations developed in accordance with Water Boards Strategic Workplan

PRELIMINARY LIST OF EARLY COORDINATION TOPICS FOR INTERAGENCY TEAM

Agency	Basis for Coordination
Department of Food and Agriculture	Market incentives and infrastructure to protect and enhance economic and public values of Delta agriculture
California State Parks	Expanding Delta recreation Consideration of recommendations of the draft Central Valley Vision Implementation Plan
Delta Protection Commission	Implementation of Land Use and Resource Management Plan Development of Economic Sustainability Plan Change in Primary and Secondary Zone Boundaries Consideration of a National Heritage Area for the Delta Preparation of the Delta Trails Blueprint
State Historic Preservation Officer/Office of Historic Preservation	Identification and evaluation of historic properties for compliance with federal and state regulations Encouragement of adoption of economic incentives to benefit historic properties and encouragement of economic revitalization by promoting historic preservation Administration of the Federal Rehabilitation Tax Credit Program through interpretation and application of the Department of the Interior Standards and Guidelines for Treatment of Historic Properties and California Historical Building Code
State Lands Commission	Establishes boundaries between public and private lands Manages programs for environmental management, energy resources, and minerals management for public lands under the State Lands Commission jurisdiction
Sacramento-San Joaquin Delta Conservancy	Adopt a Strategic Plan to implement Conservancy's goals to promote economic vitality and environmental education in the Delta and assist in preserving, conserving, and restoring agricultural, cultural, historic, and living resources in the Delta
Central Valley Flood Protection Board	Development and implementation of programs to control flooding along the Sacramento and San Joaquin rivers and the tributaries in cooperation with USACE
Bay Conservation and Development Commission	Review of projects and plans in throughout San Francisco Bay, including areas that the Delta Stewardship Council is responsible for such as Suisun Bay, Grizzly Bay, Carquinez Straits, and portions of the Suisun Marsh below the ten-foot contour line
California Emergency Management Agency	Establishment of the Sacramento-San Joaquin Delta Multi-Hazard Coordination Task Force (coordinated with Delta Protection Commission, DWR, and the five Delta counties) to develop a Draft Strategy for Emergency Response in the Delta
